

GPS TRACKERS FOR ASSETS & EQUIPMENT

ASSET & EQUIPMENT TRACKER

MAGNETIC SATX2040

With millions and millions of dollars of business equipment stolen every year, SECURE your assets now! This powerful magnetic device can be placed on any high dollar piece of equipment ensuring you know when and where it moves. Our devices work well in rural areas and in most climates.

We have partnered with **ALL** cellular providers to ensure we deliver a signal when you need it the most. In the last year, our devices have saved construction companies over 10 million dollars. Our devices deliver exact locations quickly for local law enforcement to recover stolen assets. See why thousands of contractors and companies trust SATX Technologies - Contact us today for more information.
