

GPS TRACKERS FOR CAR DEALERSHIPS

CARS DEALERSHIP GPS TRACKER IN-DASH SATX2042

Buy Here Pay Here? More and more small and medium size dealerships have begun providing in house financing. Eliminate your risk by using one of our GPS Tracking Devices!

Our devices can easily be embedded into the dashboard and turned on (as-needed) in repossession mode. The In-Dash GPS tracker can be easily installed using 3 wires and placed in sleep mode until needed.

We have partnered with **ALL cellular providers** ensuring data delivery when and if needed. We have tailored our monthly service plans specifically to this industry which in turn has saved dealerships thousands of dollars in the long run. Use our device when you need it!
