

PET GPS TRACKER

WEARABLE SATX 2043 & 2044

Small and lightweight tracker is embedded into a small, medium, or large size collar. If your pet gets out, you can rest comfortably knowing you can easily track their whereabouts using our device.

Thousands of pets per day go missing and some never make it home to their families. Our devices can help recover your pet quickly to ensure they are out of harm's way and reunited with your family.
